Peak hour shortage of electricity

†1422. DR. MURLI MANOHAR JOSHI:
SHRI RAVI SHANKAR PRASAD:

Will the Minister of POWER be pleased to state:

(a) whether it is a fact that the shortage of electricity in the peak hour is estimated to exceed in comparison to the degree of shortage at present in the States of Bihar, Uttar Pradesh, Delhi, Maharashtra, Rajasthan etc. of the country from 31 March, 2007 onward after the start of Eleventh Five Year Plan period;

(b) if not, the facts in this regard; and

(c) the quantum of shortage of electricity in the peak hour in the above said States on the basis of demand?

THE MINISTER OF POWER (SHRI SUSHIL KUMAR SHINDE): (a) No, Sir.

(b) The power supply position would improve in the 11th Plan due to anticipated capacity addition of about 17,115 MW during the year 2006-07, 5,294 MW during 2007-08 and 8,520 MW during 2008-09 as well as increase in power trading, establishment of national grid for transfer of power from surplus to deficit regions and import of power from Tala Hydro Power Station (Bhutan).

(c) Shortages of electricity in peak hours in the states of Bihar, Uttar Pradesh, Delhi, Maharashtra and Rajasthan during April to June, 2006 were 23.7%, 21.1%, 2.8% 24.6% and 9.9% respectively.

Electricity generation in the country

†1423. SHRI T.R. ZELIANG:
SHRI AJAY MAROO:

Will the Minister of POWER be pleased to state:

(a) the total quantum of electricity being generated at present in the country, State-wise;

(b) the target set for increasing the quantum of electricity generation in the financial year 2006-07, State-wise; and

(c) the details of such new projects for electricity generation on which work is in progress and by when those projects are likely to be completed, State-wise?

---

†Original notice of the question was received in Hindi.

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) and (b) State-wise details of the quantum of electricity generated during the current year (April-July, 2006) and the target set for 2006-07 are enclosed as Statement-I (*See* below).

(c) The State-wise details of ongoing power projects in the country indicating their anticipated commissioning schedule are enclosed Statement-II

Statement-I

State-wise details of the quantum of electricity generated during the Current year (April—July, 2006) and the generation target set for 2006-07

State	Actual Generation* from Apr '06 to July'06(MU)	Generation Target for 2006-07
Delhi	3622.05	10950
Haryana	4324.52	13320

Non-achievement of power generation capacity Addition in Tenth Five Year Plan

†1424. SHRI DATTA MEGHE:
PROF. ALKA BALRAM KSHATRIYA:

Will the Minister of POWER be pleased to state:

(a) whether it is a fact that the target of increasing power capacity could not be achieved in the Tenth Five Year Plan;

(b) if so, the reasons therefor;

(c) the target fixed for Tenth Five Year Plan and to what extent it has been achieved; and

(d) the schemes made by Government on the basis of these reasons so that targets of Ninth and Tenth Five Year Plan can be easily achieved?

THE MINISTER OF POWER (SHRI SUSHILKUMAR SHINDE): (a) to (c) A capacity addition target of 36,956 MW was considered feasible during the Mid Term Appraisal of 10th Plan. Out of this a capacity of 16,909 MW has already been commissioned and a capacity of 17,115 MW is scheduled during 2006-07 and of this, a capacity of about 3300 MW is under best effort scenario.

†Original notice of the question was received in Hindi.
